THERE ARE STORIES, LIKE, THEY DESTROYED A PLATOON WHEN THEY FOUGHT WITH THE NEW POLICE FORCE,
AND THAT THEY LYNCHED A TEAMMATE WHO'D BEEN TELLING ON THEM.
THERE WERE BARELY 30 OF THEM, BUT THEY TOOK TOTAL CONTROL OF SHIBUYA AND SHINJUKU... THE LEGENDARY TEAM "PLATINUM"
"PLATINUM LYNX".
HE WAS ONLY 14. HE HAD SILVER HAIR, WAS THIN LIKE A GIRL, AND WAS A TINY QUARTER, BUT HE WAS NEAR THE TOP HIS NICKNAME WAS

WHY DON'T YOU STOP TALKING NOW, SO I CAN ASK YOU GUYS A QUESTION.
I CAN EITHER TAKE OUT THIS GUY'S OTHER EYEBALL
OR YOU CAN TAKE ME STRAIGHT TO LEO.....
BUT I HEARD THAT WHEN PLATINUM STARTED FIGHTING AMONG THEMSELVES, AND SPLIT UP
TH. THEN HE'S...
THAT ONE OF THE MEMBERS
KILLED THE PLATINUM LYNX
WHICH DO YOU PREFER?

LEO GOT KIDNAPPED!?
WHAT!?
THAT DOESN'T MEAN HE GOT ABDUCTED!
I MEAN, IT'S LEO, HE CAN'T HAVE...

HE SAID HE WAS GONNA TAKE A PISS ABOUT AN HOUR AGO, BUT HE HASN'T COME BACK I LOOKED AROUND THE AREA BUT HE WAS GONE.
AND THE MUTE GUYS HAVE DISAPPEARED TOO...

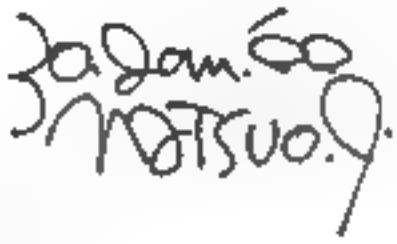
Unfinished

To Everyone who's read this

Before I started this work,
For two and a half years while I was enrolled in a cultural costumes academy, I was drawing seinen manga for a magazine under the name Yonekura Kengo.
Yanchan's current editor-in-chief got in touch with me, and I experienced drawing a serial manga for the first time.
I didn't have any tricks, and wasn't experienced. I just used what I knew from teaching myself, and my will-power I inherited from my culture, and my inherent will to win, and just blindly went at full speed for a year. Before I knew it, I was here.
It's unfinished.
I'm soooo embarrassed.
I want to be strong, strong and cool.
Someday, if I can become that, I want to work on this manga again.
When that happens, please play with these good-for-nothings again.

Once this volume is finished, I will begin a new work.

Thank you very much.



To my
Spite, aggravation, lust, insanity, (and my tiny little) conscience,

For sticking with me at risk of life and limb for a year,
I feel like I lost one thing and gained two more, but,
If I do well, and in 5 or 10 years, I meet you guys again,
Use the new weapon I'll have developed by then however you like,
But I won't ever tell you what it is,
So just refine your bodies,
And wait for me.

rp sez: Uhh... sorry it took so long, sorry it's so short, didn't know that when we started, hope y'all enjoyed, the moral of the story is: Drugs and Racism are bad. <3

There once was a man who looked like a camel. Oh, what a pitiful camel-man he was. For his entire life, people made fun of his camel-like appearance - his extremely large nostrils flaring when he breathed, his large, dark tongue, his two large back-humps he used to store water for long desert caravans, his tendency to spit, and his eyes that were a little too small for his face. I mean the guy had little pigmy eyes, it was awesome  Anyway, he saved money for years hoping to get plastic surgery to correct his camel features, but even with the money, no plastic surgeon would accept his case, stating that he was 'too ugly to fix' or 'holy damn, you are one fugly guy! Hey Jill, look at this guy, he's fugly!' and eventually the camel man commited suicide  His funeral was closed casket. And his headstone was a spitoon.

SHEJES SEZ: SO...YEAH, I'D REALLY PREFER THAT THIS BE IN OLD ENGLISH OR PAPYRUS (OR HOWEVER IT'S SPELLED~), BUT I DON'T HAVE THOSE TWO FONTS. T.T ANYWAY, UM, THIS WAS MY FIRST PROJECT YAY~ FOR THOSE OF YOU WHO HATE THE SOME OF THE FONTS USED IN THIS PROJECT AS MUCH AS I DID, I WOULD JUST LIKE TO APOLOGIZE AND INFORM YOU THAT I DIDN'T CHOOSE THEM. >.>; SORRY ABOUT THAT. ^^, UM...SO...YEAH...I HAD NOOO IDEA WHAT I WAS GETTING INTO WHEN I STARTED WORKING ON THIS. < <, I'M PRETTY SURE IF I HAD KNOWN THERE WOULD BE ENDLESS RAPE, SEX, AND BOOBIES IN THIS MANGA, I WOULD HAVE PROBABLY RUN THE OTHER WAY WITH MY EYES CLOSED AND MY VOCAL CHORDS EMITTING A HIGH-PITCHED SCREAM. BUUUUUT, SINCE I DIDN'T KNOW, ALL THAT ASIDE, I ACTUALLY REALLY ENJOYED WORKING ON THIS. FIRE CANDY HONESTLY DOES HAVE VERY PRETTY ARTWORK. ^.^ AND, UH, THAT'S ALL I HAVE TO SAY SINCE I KNOW VERY FEW PEOPLE READ THIS ANYWAY. =P SO, HAVE FUN AND ENJOY OUR OTHER WORKS. ^.^ THANKS FOR READING.

You know, the sole thing I've done over the course of this project is giving it the ok to be worked on by other staff members, so I'm not exactly sure why I'm even typing anything here at all Hell, I haven't even read the released version after chapter 3 (but I have read the raws... so at least that's something. It cannot be said that I ok'd it not knowing what volume 1 was about! So there! Haha! *ahem*). I do however feel slightly obligated to say a little something on behalf of Athanor, who scanned this manga for us, as he is no longer gracing this group wih his presence. So on behalf of myself, Athanor, and everyone else who has poured their hard-earned time into bringing this translation effort to its conclusion, thank you for reading, and hopefully enjoying, Fire Candy. It really means nothing to do any of this shit if no one reads it.

So, how many of you like Deviled Eggs? Personally, I don't. My mother vaccuums the things, so I've lived surrounded by hard boiled eggs stuffed with mashed hard boiled eggs mixed with mayo and mustard for 23 years. And guess what, my girlfriend likes Deviled Eggs, too. The Egg Devil is coming for me. It is the rapture of the Eggs. The world will be filled with molten yolk and torment. Fear the coming of the End.
